TEXAS TECH UNIVERSITY

A FOUNDATION FOR THE NEXT CENTURY

A PATHWAY TO 2025 | STRATEGIC PLAN

Strategic Priorities

- **Educate and Empower A Diverse Student Body**
- **Enable Innovative Research and Creative Activities**
- **Transform Lives and Communities Through Strategic Outreach and Engaged Scholarship**

Goals & Outcomes

- Deliver unique and transformative learning opportunities by expanding undergraduate research, faculty mentoring, internships, and international learning experiences.

- Position TTU as a world leader in
  - The interconnections of water, land, food, and fiber
  - Energy production, distribution, and utilization technologies
  - Health, well-being, and quality of life
  - Creative inquiry and expression across the arts, humanities, and sciences

- Increase entrepreneurial opportunities for students and faculty and promote collaborative, mutually beneficial community partnerships that stimulate creativity, innovation and social and economic development.

Planned Investments

- Scholarship Endowment
- Endowed Teaching and Research Professorships
- Enhanced Support for Student Success
- Teaching Infrastructure
- Infrastructure – ESB, Maedgen Theatre, Weeks Hall, Fearless Champions Campaign
