Dear Red Raiders,

Since the outbreak of the COVID-19 pandemic, the Operations Division and our various auxiliary units have been working tirelessly to deep clean and sanitize each of our buildings and facilities.

As we prepare for your arrival on campus in August, we wanted to provide you with the measures we are implementing to help reduce the spread of COVID-19 through our sanitization efforts. Our efforts to maintain clean learning and living environments will be critical for our success in combating this virus.

Over the next three weeks, we will share additional information on our plans for campus transportation, dining, and health and safety. You can learn more about all the steps we are taking to keep you safe and healthy by visiting the [Texas Tech Commitment website](https://www.ttu.edu/commitment).

Remember to always be a Masked Rider and wear your masks to protect yourself and those around you.

Sincerely,

Lawrence Schovanec
President
