

Dear Red Raiders,

Over the next several weeks, we will be releasing videos that focus on specific areas of the **Texas Tech Commitment**, which is our plan to reopen campus this fall. These videos will provide you and your family insight into how we are preparing Texas Tech for your arrival.

The Robert H. Ewalt Student Recreation Center was one of the first units on our campus to reopen to students and members. The recreation center resumed operations on June 1, and I have been impressed with the work they have done to create a safe environment for everyone. More than likely, you will utilize this facility in the fall, and it is our hope that this video will show you how the staff at Texas Tech Recreational Sports is working to protect your health and well-being.
