

TEXAS TECH UNIVERSITY
Office of the President

August 20, 2018

Dear Texas Tech Faculty, Staff and Students,

I am pleased to share with you the announcement that Dr. Tedd Mitchell has been appointed interim chancellor of the Texas Tech University System. Dr. Mitchell has served as president of the Texas Tech University Health Sciences Center (TTUHSC) for the past eight years, and his breadth of knowledge of the System and its component institutions will serve us well. He begins this role Sept. 1 and will remain president of TTUHSC during this time.

I am confident that his leadership will be a great asset as we move forward with several significant initiatives at Texas Tech University and as we go into the legislative session.

Please join with me in welcoming and supporting Dr. Mitchell in his new leadership role.

Sincerely,

A handwritten signature in black ink that reads "Lawrence Schovanec".

Lawrence Schovanec
President
