RE: Enhanced Employee Tuition Assistance
Available for Summer

I am pleased to announce the continuation of two scholarship programs this summer benefiting Texas Tech University employees and their dependents.

For the summer 2024 term, all full-time, benefits-eligible employees who register for six credit hours or more of undergraduate or graduate-level coursework will receive a \$1,000 institutional award in addition to the regularly provided [Employee Tuition Assistance](#) benefits. To receive the funds, employees also must be eligible under [OP 70.29](#).

Dependents of full-time, benefits-eligible employees who register for six credit hours or more are also eligible for a \$1,000 scholarship. First-time students applying for the scholarship before the summer term should complete an application [here](#) by **June 1**.

Scholarship eligibility and awarding will take place after the fourth day of each summer term. Please note that these awards are for Texas Tech University coursework only.

I hope you and your dependents consider taking advantage of this opportunity. Questions about the program should be directed to Student Financial Aid & Scholarships at finaid.advisor@ttu.edu.
