

TEXAS TECH UNIVERSITY

Office of the President™

October 25, 2019

Dear Red Raiders,

We hope you and your families are safe and well following the devastating storms and tornado that moved through your neighborhoods in Dallas, and we are grateful to hear there was no reported loss of life.

The Texas Tech family is a community of friends and neighbors who take care of one another. The health, safety and well-being of all is our primary focus. To our alumni and students who call the affected area of Dallas home, if there is anything we can do to assist, please do not hesitate to contact my office (president@ttu.edu).

We stand with each of you, your families and all those impacted by Sunday evening's weather and wish you the best of luck moving forward.

Sincerely,

A handwritten signature in black ink that reads "Lawrence Schovanec".
