

TEXAS TECH UNIVERSITY

Office of the President™

March 12, 2020

Texas Tech University Community,

As we continue to monitor the Coronavirus (COVID-19) situation both globally and here at home, we have prepared a [web-based resource with answers to frequently asked questions](#). We will continue to update this resource with additional information as it becomes available.

Please continue to direct your questions to president@ttu.edu. We will work to address all of the questions, either via the website or an individual response.

At this time, there are no confirmed or suspected cases among the Texas Tech University community, including those who are currently studying and working outside the United States. We will continue to provide updated information to the campus community via email, the website, and social media.

In the case of an urgent update, we will utilize [TechAlert](#), so please be sure your contact information is up-to-date. Individuals outside of our community can also be added to the Tech-Alert system by emailing techalert@ttu.edu.

Sincerely,

A handwritten signature in cursive script that reads "Lawrence Schovanec".

Lawrence Schovanec
President
Texas Tech University
