Office of the President™

May 20, 2020

Dear Texas Tech University Family:

As this semester comes to a close, we hope that you will take a moment on Saturday, May 23rd, and join us for a celebration of the graduating class of May 2020. That morning, the Commencement Office will send a special message out to all students, faculty, and staff with a link to the May 2020 Virtual Commencement Ceremonies.

In addition, May 2020 graduates (both undergraduate and graduate) can have their photos taken with President Schovanec and Raider Red on Saturday immediately following the Virtual Commencement Ceremony. Dr. Schovanec and Raider Red will pose for photos in the front yard of the President's home beginning at 11 a.m. We will be practicing social distancing in the photos and ask that you do the same when you arrive to take your photo.
