

TEXAS TECH UNIVERSITY

Office of the President™

August 14, 2020

Dear Texas Tech University Staff,

Over the last few months, there has been a tremendous amount of planning and communication around our return for the fall semester and I am deeply appreciative of your hard work and dedication to these efforts. As we are now in Phase II of campus operations and approaching the first day of classes on August 24th, I want to provide another opportunity for campus administrators to address your questions and concerns. While preparing your questions, please reference the [TTU Commitment](#) and [COVID-19](#) websites, as well as resources from the [Department of Human Resources](#).

We invite all staff to join a town hall discussion via Zoom on Wednesday, August 19th at 1:30 PM. To make the most productive use of our time together, we ask that you please submit your questions in advance using [this form](#). The login information for the Zoom meeting session is available below, and you may join via your desktop, laptop, tablet, or mobile phone. For more information or technical questions regarding the Zoom software, please contact IT Help Central at (806) 742-4357 (HELP) or via email at ithelpcentral@ttu.edu.

If you are unable to attend the session, you may still submit questions and we will share the responses with the campus community.

Sincerely,

A handwritten signature in black ink, reading "Lawrence Schovanec".

Lawrence Schovanec
President
Texas Tech University
