Office of the President

## 2020 DISTINGUISHED STAFF AWARD

Dear Texas Tech Community,

Our many remarkable achievements over the years would not be possible without a dedicated and high-performing staff that goes above and beyond in service of our students, in creating an environment of discovery and innovation, and by expanding the Texas Tech brand across the country.

In the unprecedented year of 2020, our talented staff rose to the occasion once again and helped us meet the needs of our students, supported our faculty, and went out of their way to create opportunities for engagement both within our university community and outside it.

I want to take this opportunity to congratulate the recipients of the 2020 Distinguished Staff Awards for their contributions to Texas Tech. I greatly appreciate the passion you bring to your job on a daily basis and the impact you make on those around you. We are a better institution because of your dedicated service.

Please take a few minutes of your time and watch the video provided below as we celebrate this year's Distinguished Staff Award recipients and their contributions to our university.
