Office of the President

May 2021 Commencement

Dear Texas Tech Community,

As you approach your final weeks at Texas Tech, we are pleased to announce that we will be holding in-person commencement exercises for our May 2021 graduates May 14-15 at Jones AT&T Stadium. We will also be welcoming back our May 2020, August 2020, and December 2020 graduates for in-person ceremonies May 6-8.

While there will be some modifications to these ceremonies, each graduate will be recognized individually. You will also have the opportunity to walk across the stage and have a photograph taken.

Next week, you will be able to register for the ceremony and request up to 10 tickets for family and friends to join you. Tickets are free and required for entrance. Once the registration period closes in mid-April, we will provide further details on the ceremony and ticket distribution for all participants. For logistics, safety protocols, and additional information, please visit the [commencement website](#).

The past year has been challenging, and I am grateful for the resilience shown by our campus community in dealing with the effects of the pandemic. It has been gratifying to see the determination and strength you showed in your final semesters. We sincerely appreciate your patience and flexibility, and we are delighted to have this opportunity to celebrate your accomplishments

Wreck 'em!

A handwritten signature in black ink that reads "Lawrence Schovanec".
