May Commencement Ceremonies

Dear Texas Tech Community,

Earlier today, we notified the Class of 2020 and 2021 of our plans to host commencement ceremonies in May at Jones AT&T Stadium. We will host ceremonies for our May 2020, August 2020, and December 2020 graduates May 6-8 and ceremonies for our May 2021 graduates May 14-15.

The past year has been challenging, and I am grateful for the resilience shown by our campus community in dealing with the effects of the pandemic. I admire the determination and strength that each of you have shown and I appreciate your flexibility and patience.

We made a promise to the students that missed out on in-person commencement ceremonies in 2020, and I am thankful that conditions now allow us to fulfill our promise with this opportunity. I am also thankful that we have this occasion to get together and celebrate our May 2021 graduates.

Please join me in congratulating your friends, classmates, and fellow Red Raiders in celebrating their achievements and in wishing them success in their future endeavors.
