GREAT COLLEGES TO WORK FOR SURVEY

Dear faculty and staff,

You have recently received communication from my office and human resources regarding the Chronicle of Higher Education's "Great Colleges to Work For" survey. The deadline for completing the survey is Friday, April 2, at 5 p.m.

The survey, which is titled **The Great Colleges to Work for 2021 Faculty/Staff Survey**, was initially issued March 8 to 600 faculty and staff, as selected by the Chronicle of Higher Education. Nearly 200 of you have responded to the confidential survey, which takes approximately 20 minutes to complete. This afternoon, Modern Think will distribute a final reminder to faculty and staff who have not completed the survey. If you have questions concerning the survey, please contact Modern Think at surveys@modernthink.net.

The feedback you provide will assist us in measuring the strength of certain organizational competencies and relationships that most directly impact and influence our institutional culture. While those characteristics are important to the outcome of the survey, so is our participation.

Thank you for your participation and everything you do on behalf of Texas Tech University.

Sincerely,

A handwritten signature in black ink that reads "Lawrence Schovanec".
