RE: Update: Town Hall Live Stream

The previously announced town hall meetings, scheduled for Wednesday, September 18 at 9 a.m. and 1:30 p.m., will be streamed live at www.ttu.edu/livestream for those unable to attend in person. These meetings will be held in the Student Union Building (SUB) Ballroom.

This is an exciting time at Texas Tech University as we reflect on the growth of our campus and plans for the future leading up to the Centennial Celebration and beyond. The FY2020 Operating Budget, including funding changes made during the 86th session of the Texas State Legislature, was approved by the Board of Regents on August 9. As in the past, we want to provide an opportunity for all faculty and staff at Texas Tech to receive an overview of the university's operating budget and how that relates to the institution's strategic priorities.

We also would like to share information on capital project plans, fundraising priorities and the Centennial Celebration planning process. In an effort to streamline the process, we will dispense with individual college budget forums and hold two campus-wide town halls instead. Please plan to attend the town hall that best fits your schedule.

Thank you for the work you put into the budget process this year, and we look forward to visiting with you at the town halls.
