

TEXAS TECH UNIVERSITY

Office of the President

MEMORANDUM

To: Texas Tech Faculty, Students and Staff

From: Lawrence Schovanec, President Texas Tech University

Subject: Presidents' Innovation Award

In the spirit of entrepreneurship and innovation, Texas Tech has partnered with Market Lubbock, Inc. to establish the Presidents' Innovation Award. This award is designed for the presidents of Texas Tech University and the Texas Tech University Health Sciences Center to recognize and select startups that exemplify innovation and commercialization.

The objective of the Presidents' Innovation Award is to support Texas Tech students, faculty, staff innovators and local entrepreneurs who need seed grants for equipment or space to support their startup at the Innovation Hub at Research Park.

Each institution will award the following in Spring 2021:

- 1 - \$25,000 award
- 1 - \$15,000 award
- 2 - \$5,000 awards

TTU/TTUHSC Presidents' will award 4 awards each for a total of 8 awards.

The deadline for applications is December 15th, 2020. Applicants can apply [here](#).

For additional information on the application process, the award selection rubric, the Innovation Hub at Research Park, and other details, please visit the Presidents' Innovation Award homepage [here](#). Please direct all other questions to Kimberly Gramm, Associate Vice President of Innovation & Entrepreneurship, kimberly.gramm@ttu.edu.
