RE: Nominations Open for Presidential Leadership and  
Globally Engaged Scholarships

To enhance the comprehensive learning experiences of our students, we offer the Presidential Leadership Scholarship and Presidential Globally Engaged Scholarship on an annual basis. These competitive opportunities are awarded to students who excel academically, are involved in extracurricular activities and wish to enhance their academic experience through Study Abroad.

Our faculty and staff work closely with many of these outstanding students, and I encourage you to identify and nominate those students for these opportunities. **Nominations are now open for both scholarships, and more information and nomination forms can be accessed [online](#).** The nomination period will close Wednesday, February 28, 2018 at 11:59 p.m. Currently enrolled undergraduate students are eligible to be nominated.

Nominated students will be contacted by the Office of the President by Monday, March 5, 2018 about the process of completing their scholarship applications. Applications are due Monday, April 2 at 5 p.m., and will then be reviewed by the scholarship committee. Award recipients, and those who were not selected this year to receive a scholarship, will be notified by early May 2018.

Thank you for all you do on behalf of our students.
