

[TTU.EDU/COMMITMENT](https://ttu.edu/commitment)

Dear Red Raiders,

This fall we plan to promote as much walking and biking on campus as possible to give students plenty of room to practice physical distancing. To do this, we will be significantly reducing bus traffic in our campus core to be more pedestrian-friendly.

Although our apartment bus routes will remain unchanged, our campus routes will focus on delivering students to the outer edge of the campus core by using the bus stops at the College of Media & Communication and the Rawls College of Business. To further assist us in becoming more pedestrian-friendly, we will not allow the riding of bicycles or personal scooters on sidewalks.

All of these changes are outlined in the video and our campus transportation and parking services plan for fall 2020.

I hope that you and your family are staying safe and healthy, and I look forward to seeing you on campus in August.

Sincerely,

Lawrence Schovanec
President
Texas Tech University
