RE: Applications Now Open for President's Select

President's Select ambassadors serve the university in many ways and are often visitors and prospective students' first interaction with Texas Tech University. President's Select members exemplify the core values this institution strives to instill in its young people.

Applications are now open for current undergraduate students to join President's Select, and I ask you to encourage outstanding students to apply for membership. Through their participation in this important organization, students gain valuable communication, decision-making and leadership skills, which will benefit them in their futures.

We appreciate you taking the time to share this opportunity with students you feel exemplify the inherent values and qualities of Texas Tech.

The deadline to apply is **Friday, Jan. 16, 2026**. Please visit our [website](#) to read more about President's Select and view the application.
